- We would like to remind everyone to make sure we have your current insurance card on file.
- If you would like any other family members (such as grandparents) to bring your child to appointments or call and ask questions, they need to be listed on your child's chart. We cannot release information to any person not on the file for privacy reasons.
- This time of year a lot of insurance plans change! It is your responsibility to contact your insurance company to learn what your coverage is, especially regarding vaccines.
- CHECK OUT OUR WEBSITE! You can check account balances, see your child's shot records and measurements, request appointments, email doctors.

Flu Shot Clinic

We will hold our annual flu shot clinic Saturday, November 8th, from 9am to 1 pm. Patients and their parents can get their flu shot or nasal flu vaccine. We will file with your insurance, so be sure to check your coverage information. Blue Cross of Kansas will pay for the nasal flu vaccine, which now can be given starting at age 2.

Breast Feeding Consults

Our registered nurses who have experience in breastfeeding difficulties and management will be happy to answer your questions and support you and your baby in your breastfeeding journey.
